

Tear Sheet, Blocked Funds & Bank Instruments / 10M Small and 100M Large Cap

100M Plus:

Possible scenarios for trade are Tear Sheet, Blocked Funds and Bank Instruments.

Large Cap Example (100M up) – an Investor may start with their first program with 100M, which may be placed in a trade with a Historical 2X – 5X enhancement (Bullet), then enter the 10-month trade at Historical 100% to 400% or more returns net each month.

10M Minimum and Up:

Small Cap Example (from 10M to 100M) – an investor may start with their first program with 10M up to 100M. Trades are available with Historical returns of 1X or 2X bullets, or occasional trades with 3X to 6X bullets, and monthly returns from 50% to 150%.

- Tear Sheet Programs are frequently available and are a popular choice for your first trade.
- Ninety percent of the trade proceeds as provided by the Platform go directly to the Owner. Our Group, including Attorneys and all Professionals, retain 10% of the proceeds.
- Trades start and stop all the time. We work to find the best choices, bullets and trade returns for both your original investment and your reinvestment of earnings, tailored to the plan for the use of your funds we have developed together.

To begin, please send:

1. A basic CIS, with signature and passport. Include company registration if the Investor is a company – if you have a KYC prepared that is fine. All Wet signatures & Wet Initials. Must be current!
2. The last full month bank statement for the Investment Account
3. A current screen shot of your account from your online banking
4. Documents should be no older than 30 days.
